Directors,

This email is a follow up to our directors meeting on last week regarding the SDQ and BASC assessments. See the guidance below:

1. Please disregard the previous testing calendar that was sent. These dates are not set in stone. You have flexibility as to when you administer the assessment.
2. For students that are receiving virtual instruction, the GNETS may delay the assessments until the student returns to face-face instruction.
3. For students that are receiving instruction face-to-face, each GNETS would continue to administer the assessments.
4. We have found SDQ & BASC completion ONCE a year is adequate to drive IEP development. Each GNETS has the flexibility to determine administering these assessments more than once a year if you choose.

Please let us know if you have any questions. Have a great day
Vickie
